The Board in its No.58490/UI(2)(CS) dated 29.5.1948 authorised the Collecors to reimburse to the storage agencies the godown rent and any incidental charges involved in receiving the grains. The Collector of Bellary has reported that the India Sugars and Refineries Ltd., Hospet did not charge any rent for the stocks stored in their godowns but have demanded payment of a sum of Rs.24-3-0 towards the insurance premium charges. According to the instructions issued by the Board in its D.46279/48-1 dated 17.6.1948 the Government stocks of foodgrains cannot be insured.. But in the case referred to above, the storage agent is the Bellary Central Co-operative Stores and they have not insured the stocks. For want of godown accommodation with the storage agent the Tahsildar, Hospet moved the incoming stocks to the godowns of the India Sugars & Refineries Ltd. to prevent them from lying exposed in the open yard of the Railway Station, temporarily from 17.9.48 to 6.11.1948. In this connection, the Board invites the attention of the Government to G.O.No.Ms.148 dated 28.2.1949 wherein they have sanctioned "insurance charges" as a special case in another case and requests that sanction may similarly be accorded for the reimbursement of a sum of Rs.24.3.0 (Rupees Twenty Four and Annas Three only) to the India Sugars and Refineries Ltd., Hospet towards the insurance charges incurred by them.
